*If the chief appraiser extends the deadline for a rendition statement or property report to May 15, the chief appraiser must also extend the deadline for the property owner to file an allocation application or freeport exemption application to May 15. For good cause shown, the chief appraiser may allow an additional 30 days for allocation applications and 60 days for freeport exemption applications.

PENALTIES

Failure to timely file a required rendition statement or property report will incur a penalty of 10 percent of the total amount of taxes imposed on the property for that year. If the chief appraiser approves a late application under Tax Code Section 21.10, the property owner is liable to each taxing unit for a penalty in an amount equal to the lesser of: 10 percent of the difference between the amount of tax imposed by the taxing unit on the property without the allocation and the amount of tax imposed on the property with the allocation; or 10 percent of the amount of tax imposed by the taxing unit on the property with the allocation. An additional penalty will be incurred of 50 percent of the total amount of taxes imposed on the property for the tax year of the statement or report, if a court determines that:
